DELEGATES ARE EXCLUDED

CONTROVERSY SETTLED BY GIV-ING EACH SIDE HALF VOTE.

American Nominees for Council. First ward-Long term, J. B. Moreton; short term, J. W. McKin-

Second ward-Long term, E. G. O'Donnell; short term, Captain C. + H. Reed.

Third ward—Long term, William P. Davis; short term, Thomas Mat-

Fourth ward-Long term, W. Mont Ferry; short term, W. C. Lyon.

Fifth ward-Long term, Martin E. Mulvey; short term, Mark Reedall.

Nominations for council were made by the American party in the various municipal wards last night.

J. B. Moreton and J. W. McKinney were nominated for the long and short terms, respectively, at the convention of the First ward, held in the court room of Judge M. L. Ritchie in the city and county building last night. Moreton slid through without a struggle, but three ballots were taken before McKinney won over A. G. Mahan. Mahan came near winning out on the second ballot, with 69½ delegates, when only 75 were needed to win. H. B. Prout then withdrew his name in favor of McKinney. On the third ballot McKinney had 95 votes against 55

for Mahan.

J. B. Moreton, at present city recorder, finished the first ballot with 108 votes; McKinney, 56; Prout, 52; Mahan, 55½, and Angus McKellar, 27½. Moreton was awarded the long term nomination by acclamation, and the second ballot stood as follows: McKinney, 57; Prout, 23; Mahan, 69½. Prout then withdrew and the final ballot read: McKinney, 95; Mahan, 55.

han, 55.

George M. Sullivan was chairman of the convention and F. L. Palmquist secretary. Henry F. Heath was again selected as ward chairman and A. C. Spiers and A. J. Charon were named as city committeemen. A full delegation was present.

L. D. Martin's name was not even presented to the convention.

J. W. McKinney, though not a delegate, was allowed to speak. It had been charged, he said, that he demanded \$1,000 from the American party committee be fore he would run for the council, bu he did not know from "whose sneaky bosom the sneaky lie found its origin."

There was Bransford feeling throughout, as shown by the two men named for the council. The two winners, Moreton and McKinney, will have to pay the rental of the court room last night.

Second Ward Contest.

In the Second ward the contest for the American councilmanie nominations took the form of a straight fight between Bransford and Lippman supporters. Lipp-man had fewer delegates than the Bransford people had conceded him. Councilman E. G. O'Donnell and Cap-tain C. H. Reed, both strong Bransford

Allen, both Lippman men, were de-eated by a decisive vote. There were indications that Lippman

was losing his delegates. An example of this was noted when F. R. Christensen, fermerly a Lippman man, placed Captain C. H. Reed, a Bransford man, in nomiation for the council. The first contest was between Counci

The first contest was between Councilmen E. G. O'Donnell and George H.
Raybould. Each councilman wished to be
selected for the long term. The Bransford men were for O'Donnell and the
Lippman men for Raybould. Mr. O'Donnell received St votes and Mr. Raybould
45. This appears to be about the way the
Second ward will divide its vote between
Bransford and Lippman.

For the short term the candidates were C. H. Reed, E. C. Allen and George H. Raybould, Mr. Reed received 73 votes; Mr. Allen, 24, and Mr. Raybould, 29.

In the Third ward there was little rouble encountered in coloring Williams. In the Third ward there was little treuble encountered in selecting William P. Davis as candidate for the long term in the city council and Thomas Matthews for the short term. On the ballot Davis got 43 votes, E. E. Rich received 42 votes and Matthews got 21 votes. Then Rich withdrew in favor of Matthews.

Joseph E. Pugsley and J. T. Raleigh were elected members of the city committee while T. A. Harringer was hamed as while T. A. Harringer was named as

while there were perhaps a score or more of delegates at the Fourth ward convention, held at the Brigham Street pharmacy, who were not for W. Mont Ferry as the councilmanic nominee for the long term when they walked into the convention, they had not been long there before they were swept off their feet entirely by supporters of Mr. Ferry. The result was that the present councilmanic result was that the present councilmanic incumbent was nominated by acclama-

In the contest for the nomination for the short term four men were entered-R. J. Glendinning, L. H. Curtis, Bernard O. Mecklenburg and W. C. Lyon. Following the announcing of the result of the first ballot, Mr. Curtis, who receive fewest number of votes, withdrew second ballot showed that Mr. Lyo had won, receiving a majority of the votes of the entire delegation.

Mulvey and Reedall Win.

In the Fifth ward Martin E. Mulvey secured the long term nomination and Mark Reedali the short term nomination for the council, after a bitter fight over the seating of delegates from District 54. The primary was held in the police couroom. Mulvey got 70 votes; Reedall, 6 Black, 39; Westerfield, 25, and Quinn, 10. Dr. C. I. Douglas was temporary chain man and George Gutch secretary. A cre-dential committee, consisting of W. J. Barrett, W. W. Rivers and Ned Hewett, and a committee on organization and order of business, consisting of A. T. Moon, Fred Way and Mark Reedall, were

appointed.

The report of the credentials committee brought on the fight of the evening. The first report threw the entire delegation from District 54 out of the convention because of the alleged illegality of pri-

The ruling factors in the primary then announced that the two separate delegations from the Fifty-fourth would be seated, but would only be given half a vote each.

The committee on order of business suggested separate nominations for the long and the short term, but one Isaac Newand the short term, but one Isaac Newton of the Fifty-third knocked this little Black-Reedall proposition in the head by naming it a "you-elect-me-and-l'll-elect-you" game. BAER BROS. CO.

Sold to Principal Tenants for Approximately \$90,000.

From lessee to owner of the fine comined hotel and business structure, known s the Chadbourne hotel building, on State street, between Second and Third South streets, which they have occupied for several years past, is a change which has been consummated by the Baer Brothers' Mercantile company. The property was fermerly owned by William R. Chadbourne of San Francisco, and while the every consideration is withheld it is Chadbourne of San Francisco, and while the exact consideration is withheld, it is understood that the new owners paid between \$75,000 and \$90,000 for the property. The property has a frontage of forty-three and one-half feet, with a depth of 165 feet, and is at present occupied by a three-story substantial combined hotel and business structure. The two upper floors are given over to what is known as the Chadbourne hotel, and the ground floor is occupied by the Baer Brothers' Mercantile company. It is said that no change will be made in existing leases. The recent lively interest in State street property has had much to do with the decision of the Baer Brothers' company to purchase the building. The company has had a successful run of business in this location, and having strong faith in the continued growth of the State street business district, decided to acquire the property before prices went up another notch or two.

The building was constructed four or ch or two. The building was constructed four or five years ago at a cost of about \$45,000. The ground was sold for approximately \$750 a front foot.

Very Effective for Kidney, Bladder and Rheumatic Sufferers.

The function of the kidneys is to filter and strain the impurities from the blood. Pains in the urinary region and the small of the back indicate that the kidneys are sick and need treatment. Neglecting such symptoms brings rheumatism, diabetes, dropsy and heart trouble, while a simple home treatment will restore and keep the kidneys in fine working order.
